

Kaiser Partner Mobile Banking

Enter Payment

- 1 Important note:** Transaction signing for Mobile Banking needs to be activated before making a payment to a new beneficiary via the app. Please login to your E-Banking on your computer and activate the following option: „Settings“ (to be found under the symbol ) – „Account & profile“ – „General“ – „Enable transaction signing in Mobile Banking“.

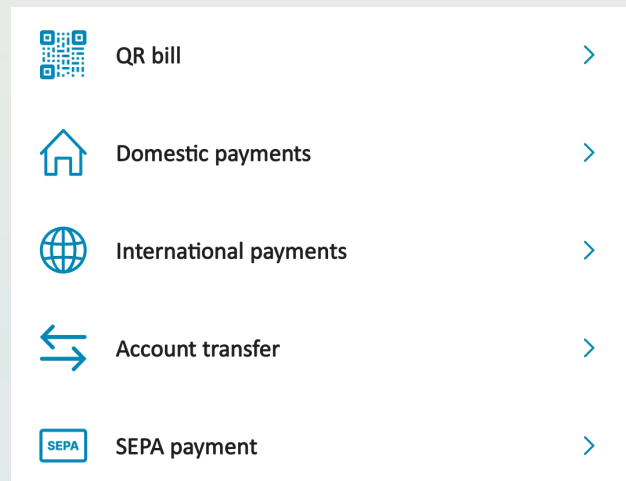

Login to your Kaiser Partner Mobile Banking App using your contract number and password.

- 2** To open the main menu, press the  symbol on the top of your screen.
- 3** Select the option „Payments“ and then „New Payment“ to open the payment assistant.

- 4** In the newly opened window, you can select from a variety of different payment types:
- QR bill
 - Domestic payment
 - International payment
 - Account transfer
 - SEPA payment

Select your preferred payment option.

- 5** To place the payment, the following information must be provided:
1. Choose an account from which the payment should be booked.
 2. Enter the details of the beneficiary via the button „Enter beneficiary“. To avoid any issues while processing the payment, please first enter the IBAN or account number, followed by the detailed personal information of the beneficiary.
 3. Enter the additional information such as payment currency, amount, payment reason and execution date.
 4. Via the option „Recurring payment“ you are able to define this payment as recurring.

Click on „Continue“ to proceed to the next step.

- 6** In this final step, you can double check your payment. By clicking on „Pay“, the payment can be placed and will be processed shortly.
